to file the matter especially those who are specially abled and also the advocates who are coming from long distance.

3. Sometimes it is because of the technical difficulties of e-court filing website and then due to the restricted time limit for filing of the matters till 2:00 pm, the matters could not get filed on the same day then the learned advocates are once again required to come the very next day which escalates their difficulties.
4. I say that I myself has faced difficulties multiple times as due to the filing time limit till 2:00 pm the matter could not get filed and then the advocates are once again required to come the next day for filing of the same matter which is a matter of great concern especially for specially abled advocates and the advocates who are coming to file the matter from long distance.
5. Under the given circumstances you are hereby requested to kindly take this serious issue into consideration and increase the filing time of the matters from 2:00 pm to 4:00 pm which will not only help the advocates but also for the litigants in the interest of justice.

"Awaiting your positive response".

Thanking You

Yours truly
